

**The Manitoba Law Reform Commission's Project on Elder Abuse and Neglect**

As part of the Elder Abuse Project's consultation process, we would like to hear from you. If you have things you would like to add to what was discussed during the September 14<sup>th</sup> Elder Law Section webinar, please send us your thoughts.

1. What are some examples of elder abuse and neglect that you are seeing in your practice?
2. What do you see as the most pressing issues when it comes to elder abuse and neglect in Manitoba?
3. Do you think our laws reflect current understandings of the abuse and neglect of older adults living in the community? If not, what needs to change? (Be as specific as you can regarding legislation, policies, systems, etc.)
4. Are there any particular individuals or organizations with whom you think we should consult?
5. Please let us know if you have any additional comments.

Please send your comments to [mail@manitobalawreform.ca](mailto:mail@manitobalawreform.ca).

Thank you!
