

Alternative Dispute Resolution Section Report 2012-2013

The most significant thing to report is the extreme success we enjoyed by making a presentation at the Mid-Winter Conference of 2013. We presented an Alternate Dispute Resolution Conference which comprised of Justice Doug Abra, Dave Hill and Candace Grammond. Before a large crowd we conducted the Judicially Assisted Dispute Resolution conference which lasted over two hours and seemingly was appreciated by everyone in attendance.

While the ADR Section will continue next year with the same executive, we would welcome new members who can suggest new and varying topics.

We are part of a national network of representatives from each province and exchange ideas via e-mail or conference calls.

Respectfully Submitted,
Lyle Smordin, Chair
