

## Child & Youth Law Section Report 2021-2022

COVID presented a number of challenges again to our usual CPD Section activity and all Section activity was virtually presented. A highlight and most of our time was devoted to our presentation at the Mid-Winter:

1) Our presentation “Children in the Court Process: From Disclosure to Trial” at the Mid-Winter was on January 21, 2022 and was very well attended with 68 attendees. We had two fantastic panels that featured experts, judges, crowns and private bar practitioners.

We also presented the following topics during the year:

|                           |              |  |
|---------------------------|--------------|--|
| Child & Youth Law Section | Jun 14, 2021 | Exploring s.38(1)(b) of the <i>Child and Family Services Act</i> |

|                           |              |               |

We are thankful for our amazing and hard-working Executive: Riley Nolan, Meredith Mitchell and Stacey Soldier. We are especially thankful for all the time, direction and efforts of Melissa Tannahill.
