

Construction Law Section Report 2010-2011

This year the local Section held one meeting, which was a case law review of notable Manitoba and Supreme Court of Canada decisions relating to the Construction Law area. The Section expressed some interest in having a similar meeting on an annual basis, as well as additional meetings when interesting topics or developments arise that are not already being covered by other MBA Sections.

The 2011/2012 Chair and Executive is as follows:

Chair: John Martens (Aikins)

Vice-Chair: Tom Turner (Pitblado)

Past-Chair: Daryl Chicoine

Respectfully submitted,

Daryl Chicoine, Chair
